"IT IS THE SUPREME ART OF THE TEACHER TO AWAKEN JOY IN  
CREATIVE EXPRESSION AND KNOWLEDGE." ~ALBERT EINSTEIN

Michael Beuglass • Karen Shaylor • Michele Ziemke

This faculty show was arranged to showcase the talents of some Erie County art teachers. Education is a full time job. The talent within this show chooses to take their work home with them and create art outside the classroom. It is their love for art that motivates their teaching and inspires their students' learning. It is essential to teach art to our young for many reasons: artistic expression conveys emotions into a clear presentation, it teaches history of cultures through recorded masterpieces, it draws communities together in a peaceful forum, and it combines every school subject into a visual and tactile form.
